MODERATOR: Amy Yang here. Can you just tell me a little bit about your round? It looked like you were playing really well out there.

AMY YANG: You know, yeah. I mean, everything was working good and I just tried to play against par, you know, just play safely. I think that that really helped today.

MODERATOR: Tell us about your stretch 9 through 11, 9, 10, 11. I think you hit some good shots, had some birdies.

AMY YANG: Was it 9?

MODERATOR: 9 with the mansion in the background, par 4.

AMY YANG: Oh, yeah, because my swing like first couple holes wasn't that feeling good, but from 9th hole it came back, you know, it was feeling good. Swinging was good.

MODERATOR: So how do you feel going into this afternoon?

AMY YANG: I don't know. I'm just going to play safe and just play the same, safely, yeah.

MODERATOR: Okay.

AMY YANG: I think that's the most important, you know. If you go too aggressive, maybe make mistakes.

MODERATOR: Thank you.
